Date: \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_

PERMISSION TO USE From: \_\_\_\_\_ To: \_\_\_\_\_

Location: \_\_\_\_\_ Hydrant I.D.# \_\_\_\_\_

Permission to use a fire hydrant is granted only for the above permit of time. All connections must be kept tight, no leaks at the hydrant will be tolerated. It should also be understood that only proper tools be used to open or close the fire hydrant (NO PIPE WRENCHES). All damage which occurs to the hydrant during the time of said use shall be repaired by the Village and billed to the user of said hydrant and it shall be the user's responsibility to pay for any repair to the hydrant. If court action becomes necessary to collect a repair bill, the hydrant user shall bear all costs of the suit, including attorney fees relating to collection of repair bill. The hydrant will be metered and the user shall be solely responsible for payment of any bill incurred for use of water from the hydrant.

If the above regulations are not followed, usage of the fire hydrant will be discontinued immediately.
