1 (WHEREUPON, the following
2 proceedings were had in the
3 presence of the Board Members.)

4 VILLAGE PRESIDENT BRADY: Okay.

5 TRUSTEE KENSIK: Request approval of the final
6 eligibility list for entry level police officer date- --
7 dated November 2nd, 2023. The list will expire on
8 November 2nd, 2025.

9 The second request is authorization to
10 conditionally hire Albert Rezek as a lateral hire with a
11 start date of December 25th, 2023, pending successful
12 completion of pre-employ- -- pre-employment test- --
13 testing -- my throat -- testing. Thank you.

14 He would start at step 4 as agreed upon in the
15 lateral hiring memorandum of understanding.

16 And the third request is authorization to
17 conditionally hire Christina Pisano as a police officer
18 with a start date of January 1st, 2024, pending
19 successful completion of pre-employment testing.

20 So we have three requests for the Police
21 Department tonight.

22 VILLAGE PRESIDENT BRADY: If you don't know ...

23 Sandy might remember. I know Sean would,
24 Terry might, Tony might, too, but Al Rezek ...

1 TRUSTEE STOCKS: Oh, yeah.

2 VILLAGE PRESIDENT BRADY: He was a --

3 (Simultaneous cross-talking.)

4 TRUSTEE STOCKS: Oh, yeah. Yeah.

5 VILLAGE PRESIDENT BRADY: This is either a son or
6 grandson maybe a grandson.

7 TRUSTEE PALLARDY: Where is he coming from, what
8 department?

9 VILLAGE PRESIDENT BRADY: Tom told me but I don't
10 remember. You can ask him maybe.

11 TRUSTEE PALLARDY: Okay.

12 VILLAGE PRESIDENT BRADY: I think he's 35 or
13 something.

14 Terry ...

15 TRUSTEE STOCKS: Yeah.

16 The -- We're going to -- something positive,
17 we're going to swear in four new firefighter paramedics
18 tonight.

19 TRUSTEE WESOLOWSKI: Oh, that's good. Yay.

20 TRUSTEE STOCKS: Hopefully they're going to stay
21 with us for a while.

22 VILLAGE PRESIDENT BRADY: About two weeks.

23 TRUSTEE STOCKS: Also, I'm going to make a motion
24 this evening to request approval for honorariums for our

1 trumpet player, Tom Dadeski (phonetic). He will be
2 playing Taps at our Veteran's Day --

3 TRUSTEE WESOLOWSKI: Nice.

4 TRUSTEE STOCKS: -- celebration along with
5 Reverend Michael Miller who will be offering prayers.

6 VILLAGE PRESIDENT BRADY: That 9:00 o'clock, Terry?

7 TRUSTEE STOCKS: That will be 9:00 o'clock on
8 Saturday the 11th.

9 VILLAGE PRESIDENT BRADY: And here?

10 TRUSTEE STOCKS: Right here.

11 TRUSTEE MALOY: Have we gotten several RSVPs?

12 TRUSTEE STOCKS: You know, that's a good question.
13 How do we stand on RSVPs?

14 CLERK SOLIS: As of this afternoon, before I left,
15 we were at 34.

16 TRUSTEE STOCKS: 34?

17 CLERK SOLIS: And most of them are from the fire
18 and police department.

19 TRUSTEE STOCKS: Oh, okay. All right. You got
20 police on there also. Okay.

21 CLERK SOLIS: We only have two residents.

22 TRUSTEE STOCKS: Only two residents?

23 CLERK SOLIS: Three.

24 TRUSTEE STOCKS: Three.

1 CLERK SOLIS: Wild (phonetic) and Zarlinga
2 (phonetic).

3 VILLAGE PRESIDENT BRADY: The firemen that are on
4 duty?

5 CLERK SOLIS: The firemen that are on duty,
6 probably, yes. The public works, the ones that are
7 working, Pastor Miller; the trump player, Mr. Dadeski;
8 our board that's going to be attending, and then --
9 Yeah.

10 TRUSTEE STOCKS: Okay. Judy Solmin (phonetic) and
11 Nancy Gaboski (phonetic) is coming as --

12 TRUSTEE WESOLOWSKI: Judy Rejup (phonetic)?

13 TRUSTEE STOCKS: It has to -- Yeah, I see Judy's
14 name here. Yeah.

15 Okay. All right. Well, that's -- that's
16 about it Veteran-wise.

17 Terry, you can take a look. You're -- They
18 got you down for Vietnam.

19 TRUSTEE KENSIK: Yeah. Okay.

20 CLERK SOLIS: Is that wrong?

21 TRUSTEE STOCKS: You -- You -- You weren't in
22 Vietnam, were you?

23 TRUSTEE KENSIK: Well ...

24 TRUSTEE STOCKS: Yes or no?

1 TRUSTEE KENSIK: Yes and no.

2 TRUSTEE STOCKS: Oh, okay. All right.

3 TRUSTEE KENSIK: I won't bring it up.

4 TRUSTEE STOCKS: So anyhow, that's -- that's ---
5 that's all I have.

6 VILLAGE PRESIDENT BRADY: Okay. Nancy ...

7 TRUSTEE WESOLOWSKI: Nothing for water, but I just
8 wondered about our -- our thing, yeah.

9 You know, I know we shut then down last time.
10 Should we try to -- What do you think?

11 TRUSTEE STOCKS: Let me just see that again. I
12 want to check something.

13 TRUSTEE WESOLOWSKI: The Foot Locker ...

14 TRUSTEE RODRIGUEZ: It looks better.

15 TRUSTEE WESOLOWSKI: What, hun?

16 TRUSTEE RODRIGUEZ: I think it looks better.

17 TRUSTEE WESOLOWSKI: It looks a little better. I
18 mean, the other one was a little bit more --

19 VILLAGE ATTORNEY GRYZWESKI: Defer to you guys ...

20 (Simultaneous cross-talking.)

21 TRUSTEE RODRIGUEZ: So this one seems --

22 TRUSTEE MALOY: This is the same artist.

23 TRUSTEE RODRIGUEZ: The same artist for the ...

24 TRUSTEE WESOLOWSKI: I mean, do we just try it and

1 see if we get any issues? I don't know. Just my
2 thought.

3 VILLAGE PRESIDENT BRADY: If you guys want it, it's
4 okay with me.

5 TRUSTEE WESOLOWSKI: What do you guys think?

6 I mean, I think -- You know, we shot it down
7 last time. I just was looking at it and I thought,
8 well, you know, maybe we should give them a chance, and
9 if Tom sees issues or whatever, then we -- I don't know.

10 What do you think, Larry?

11 VILLAGE ATTORNEY GRYCZEWSKI: The only thing is, is
12 if it's up there, you can't --

13 (Simultaneous cross-talking.)

14 TRUSTEE MALOY: You can't take it down.

15 VILLAGE ATTORNEY GRYCZEWSKI: It's permanent.

16 TRUSTEE STOCKS: That's true.

17 TRUSTEE MALOY: I -- You know what? Like, can we
18 ask, like, Tom's opinion on that?

19 TRUSTEE WESOLOWSKI: Sure.

20 TRUSTEE MALOY: Like, do you think that it's --

21 TRUSTEE WESOLOWSKI: We could.

22 TRUSTEE MALOY: -- going to bring --

23 TRUSTEE WESOLOWSKI: Yeah, of course.

24 TRUSTEE MALOY: -- gangs to the area?

1 TRUSTEE WESOLOWSKI: We can ask Tom.

2 TRUSTEE MALOY: Do you know what I mean? It's
3 just -- To me, it looks like graffiti.

4 TRUSTEE STOCKS: Yeah, in a way, it does.

5 TRUSTEE WESOLOWSKI: Yeah. But you know what?
6 It's, you know, bringing something to the Village. Foot
7 Locker is a good company. I mean, I don't want to shoot
8 them down twice. I don't know. I'm just thinking.

9 TRUSTEE MALOY: It's also --

10 TRUSTEE RODRIGUEZ: I thought it looks a lot better
11 than it did before.

12 TRUSTEE WESOLOWSKI: I do, too. Should we ask Tom
13 to look at it?

14 VILLAGE PRESIDENT BRADY: If you have high level
15 shoes --

16 (Simultaneous cross-talking.)

17 TRUSTEE WESOLOWSKI: Oh, yeah, no doubt. Right?

18 VILLAGE PRESIDENT BRADY: -- it's a target because
19 that's, like, a cool thing to have.

20 TRUSTEE PALLARDY: For sure.

21 TRUSTEE STOCKS: Yeah. Yeah.

22 VILLAGE PRESIDENT BRADY: That's just the way it
23 is. So I mean, they're responsible.

24 (Simultaneous cross-talking.)

1 TRUSTEE STOCKS: They are.

2 TRUSTEE WESOLOWSKI: But, you know, I get it.
3 They're kids shoes.

4 TRUSTEE RODRIGUEZ: Yeah, but it's still ...

5 VILLAGE PRESIDENT BRADY: But ...

6 TRUSTEE WESOLOWSKI: Yvette, can we ask Tom to come
7 in and get his opinion, because I feel like we shot them
8 down last time -- not down, down, but then --

9 TRUSTEE RODRIGUEZ: What do they have now, do we
10 know?

11 VILLAGE PRESIDENT BRADY: There's nothing there.

12 (Simultaneous cross-talking.)

13 VILLAGE ATTORNEY GRYZEWSKI: They're just moving
14 in now.

15 TRUSTEE RODRIGUEZ: I don't know.

16 And are most Foot Lockers, do we know what
17 they --

18 TRUSTEE WESOLOWSKI: Well, I think, most Foot
19 Lockers are in malls and stuff, right? I think this is
20 one of the free-standing ones.

21 VILLAGE PRESIDENT BRADY: But now they're going to
22 this high-end shoe stuff.

23 TRUSTEE WESOLOWSKI: Oh, they are?

24 TRUSTEE STOCKS: Oh, yeah. Yeah.

1 VILLAGE PRESIDENT BRADY: Yes. They're going for,
2 like,
3 5- or \$600.

4 (Simultaneous cross-talking.)

5 TRUSTEE WESOLOWSKI: Let's see what Toms says.
6 Whatever he says, we'll go with, whatever.

7 TRUSTEE MALOY: He's the professional.

8 TRUSTEE RODRIGUEZ: Yeah. Yeah.

9 You know what? I thought it looked much
10 better.

11 TRUSTEE WESOLOWSKI: I did, too.

12 TRUSTEE RODRIGUEZ: It looks -- It does look
13 artistic to me, but what do I know?

14 TRUSTEE MALOY: It looks better, but to me, it's
15 still --

16 TRUSTEE STOCKS: I stay ...

17 (Enter Mr. Hansen.)

18 VILLAGE ATTORNEY GRYZEWSKI: Tom's got a pair of
19 Nikes on.

20 (Simultaneous cross-talking.)

21 VILLAGE PRESIDENT BRADY: They go for 5- or \$600.

22 CHIEF HANSEN: They do. They do, even more than
23 that. Some of those -- those collector shoes, thousands
24 of dollars. I walked through there a couple times and

1 I'm not the -- none of those are the shoes that I
2 necessarily get, but ...

3 TRUSTEE WESOLOWSKI: So our -- Can I show that to
4 Tom?

5 So our question to you: We -- We denied the
6 first one, but this is the second one they submitted.
7 Do you think that would be a yay or nay or forget it?
8 It would bring more --

9 CHIEF HANSEN: I -- I don't -- I don't think that,
10 like, looking at it, it looks -- it looks pretty
11 harmless to me. You know, I don't see anything that's,
12 like, gang or anything like that.

13 TRUSTEE WESOLOWSKI: The first one looked a little
14 bit more ...

15 TRUSTEE MALOY: More graffiti.

16 TRUSTEE WESOLOWSKI: We turned it down the first
17 time, more graffiti, yeah, but this one, I thought --

18 CHIEF HANSEN: I -- You know, again, what --
19 without anything else, when you start getting into
20 what's art and what's not art, what's graffiti and
21 what's not graffiti, it's kind of -- it starts getting
22 subjective.

23 TRUSTEE STOCKS: Yeah.

24 CHIEF HANSEN: You know, it's not a clear gang

1 signal or colors. It's tough to do so with -- It's
2 tough to be in your shoes where you're deciding what's
3 appropriate and what's not appropriate without anymore
4 guidance than that. I don't think, like, this is going
5 to cause any, like, problems in the area or anything
6 like that. I -- It's -- I mean, it looks -- it looks
7 very tropical actually.

8 But, yeah, I just think, like -- But then if
9 they have this, what do you say to the next place that
10 says, I want a mural, you know? So once you open the
11 door and you start doing it --

12 TRUSTEE STOCKS: Yeah. You're going to have --

13 CHIEF HANSEN: Because we have -- you know, we have
14 the ordinance is against, you know -- you know, graffiti
15 and stuff like that. And where do you draw the line
16 between what's graffiti, what's -- you know, just
17 because it's an owner putting it on there, is it okay --

18 TRUSTEE WESOLOWSKI: Mm-hmm.

19 CHIEF HANSEN: -- you know? So --

20 TRUSTEE WESOLOWSKI: Mm-hmm.

21 CHIEF HANSEN: I don't know, but yeah, this --
22 this -- this looks pretty ...

23 TRUSTEE WESOLOWSKI: Where is this going in at?

24 CHIEF HANSEN: 74th and Cicero. It used to be

1 Everest College.

2 TRUSTEE WESOLOWSKI: Yeah. Yeah. Oh, yeah.

3 VILLAGE PRESIDENT BRADY: The building was vacant
4 for at least five years.

5 TRUSTEE STOCKS: Tom, what's the possibility of
6 getting someone running a vehicle into it, like, they've
7 been doing in Chicago, crash and steal?

8 CHIEF HANSEN: They -- The possibility is good.

9 TRUSTEE STOCKS: Is it?

10 CHIEF HANSEN: Yeah. They have steel doors that
11 they put down at night, which -- which helps, but
12 that's --

13 TRUSTEE STOCKS: Okay.

14 CHIEF HANSEN: -- you know, a car is going to -- to
15 dam- -- to go through it. You know, and it will be a
16 stolen car and they'll be in and they'll be out --

17 TRUSTEE STOCKS: Right.

18 CHIEF HANSEN: -- and all over the place. And they
19 do have valuable items in there. So it's just a
20 question of, you know, just us being on Cicero and being
21 present --

22 TRUSTEE STOCKS: Right.

23 CHIEF HANSEN: -- and dissuading that, but it's --
24 you're never -- I can't say it's not going to happen.

1 You know, it hasn't happened and -- and we stay on it,
2 but, you know, it's happening all around. So it's a
3 pretty good likelihood.

4 TRUSTEE WESOLOWSKI: So are there free-standing
5 Foot Lockers out there that have this? Because I don't
6 know of any.

7 CHIEF HANSEN: I -- I don't see many Foot Lockers
8 anymore --

9 TRUSTEE STOCKS: No.

10 CHIEF HANSEN: -- free-standing. I see them in
11 malls.

12 TRUSTEE STOCKS: I see them in the malls.

13 CHIEF HANSEN: 127th and Harlem, they used to have,
14 like, an outlet or something, but that was just -- that
15 was years ago before, like, the -- like, the building
16 art was really around.

17 TRUSTEE RODRIGUEZ: Do we have any --

18 VILLAGE PRESIDENT BRADY: There's a big one
19 downtown --

20 TRUSTEE RODRIGUEZ: -- any other buildings in the
21 business in Bedford that has kind of artwork?

22 TRUSTEE WESOLOWSKI: I don't think so.

23 CHIEF HANSEN: Not to this -- Not to this extent.
24 You know, the inside of Magoos has quite a bit of

1 graffiti, but that's not on the inside. I don't think
2 so.

3 TRUSTEE WESOLOWSKI: So is this yay or nay to them
4 coming into the business or they're already in there?

5 VILLAGE ATTORNEY GRYZEWSKI: They're in there.

6 TRUSTEE WESOLOWSKI: They're asking just for
7 our approval?

8 CHIEF HANSEN: It's a huge -- It's a huge store. I
9 mean, it -- like, when you go in there, there's a ton
10 of -- Like, they have -- It's a big store.

11 TRUSTEE WESOLOWSKI: So is it set back a little
12 bit? I've heard it's set back a little bit.

13 CHIEF HANSEN: It is. The parking lot is in front
14 of the business.

15 TRUSTEE WESOLOWSKI: Yeah. Yeah.

16 CHIEF HANSEN: So there's Cicero and then there's
17 probably 200 feet of parking lot and then there's the
18 business.

19 TRUSTEE WESOLOWSKI: Yeah, there's the business.

20 VILLAGE PRESIDENT BRADY: And that's the market or
21 that's the age group that they're marketing to that are
22 attracted to that type of art.

23 TRUSTEE KENSIK: Yeah.

24 VILLAGE PRESIDENT BRADY: But as long as it doesn't

1 have gang-related or violence-related --

2 CHIEF HANSEN: And -- And really, like, when you're
3 driving down Cicero -- You make a good point. It is
4 back and this could, like, grab somebody's --

5 TRUSTEE WESOLOWSKI: Yeah. Yeah.

6 CHIEF HANSEN: -- attention and say, Well, what is
7 that, you know --

8 TRUSTEE WESOLOWSKI: Yeah. Yeah.

9 CHIEF HANSEN: -- type of thing. So that -- I'm
10 sure that's what they're looking at.

11 TRUSTEE WESOLOWSKI: Yeah.

12 TRUSTEE STOCKS: Yeah.

13 TRUSTEE WESOLOWSKI: Thank you.

14 Yeah. I just thought I'm okay with it this
15 time. I know Everest is back there more and --

16 CHIEF HANSEN: Gang stuff is not, like, my
17 specialty. I mean, if you wanted, I can run it by my
18 gang people to see, but that really looks very innocuous
19 to me.

20 TRUSTEE WESOLOWSKI: Yeah.

21 CHIEF HANSEN: Like, that's --

22 TRUSTEE RODRIGUEZ: Did you see the other page?

23 CHIEF HANSEN: I did.

24 TRUSTEE MALOY: Gang people.

1 CHIEF HANSEN: I got -- I got some people.

2 TRUSTEE PALLARDY: You got some connections.

3 (Simultaneous cross-talking.)

4 CHIEF HANSEN: Some of our officers really are into
5 it. Like, they really --

6 TRUSTEE KENSIK: They're not in a gang but they're
7 into preventing it.

8 CHIEF HANSEN: I hope so.

9 TRUSTEE MALOY: Well, that's, like, is there any
10 underlying things in that, that we don't know what it
11 really means?

12 TRUSTEE WESOLOWSKI: The other one looked kind
13 of -- but this one I thought (vocally demonstrating),
14 let's just ...

15 TRUSTEE KENSIK: Well, my opinion ...

16 VILLAGE PRESIDENT BRADY: Is everybody okay with it
17 if the police say there's no underlying gang --

18 TRUSTEE STOCKS: Yeah.

19 TRUSTEE WESOLOWSKI: Yes.

20 VILLAGE PRESIDENT BRADY: Is that okay?

21 TRUSTEE KENSIK: No. I say no.

22 VILLAGE PRESIDENT BRADY: No?

23 TRUSTEE MALOY: Yeah. I don't know either.

24 TRUSTEE KENSIK: I don't like that stuff at all.

1 TRUSTEE MALOY: I feel that --

2 TRUSTEE WESOLOWSKI: I mean, I say yes.

3 TRUSTEE PALLARDY: Yes.

4 VILLAGE PRESIDENT BRADY: Two yes? No.

5 TRUSTEE STOCKS: Yes.

6 TRUSTEE WESOLOWSKI: I'm going to -- Yes. Yes for
7 me.

8 VILLAGE PRESIDENT BRADY: But if the police say --

9 TRUSTEE WESOLOWSKI: If the police say no, I'm out.

10 TRUSTEE STOCKS: Yeah, that's it. Yeah.

11 TRUSTEE WESOLOWSKI: Let the police decide.

12 CHIEF HANSEN: Is this the best renderings that you
13 guys have?

14 CLERK SOLIS: No. Alyssa has better ones?

15 CHIEF HANSEN: She does?

16 Okay. I'll get them from Alyssa --

17 TRUSTEE WESOLOWSKI: Yeah. Let us knee.

18 CHIEF HANSEN: -- and I'll run it by them.

19 TRUSTEE WESOLOWSKI: Yeah, perfect. Perfect.

20 TRUSTEE STOCKS: Okay.

21 VILLAGE PRESIDENT BRADY: Related to the gang
22 stuff, do you know who -- a gentleman by the name of
23 Hoover was in gang stuff?

24 TRUSTEE KENSIK: Who?

1 CHIEF HANSEN: Larry Hoover?

2 VILLAGE PRESIDENT BRADY: He's head of the gang --
3 black gangster disciples?

4 TRUSTEE STOCKS: Yeah, I've heard that.

5 VILLAGE PRESIDENT BRADY: He got 220 years in
6 prison. He's serving -- supposedly, he's doing better
7 -- business in prison than he was out, but his son is
8 having a birthday party at Oceans this weekend.

9 TRUSTEE STOCKS: Oh, geez.

10 TRUSTEE MALOY: Oh, gees.

11 TRUSTEE KENSIK: I thought you were going to say
12 Wintrust.

13 (Simultaneous cross-talking.)

14 VILLAGE PRESIDENT BRADY: Son does not have an
15 extensive -- or I don't even know if he --

16 CHIEF HANSEN: No. He's more of, like, an
17 activist. He, like -- I don't think he has -- To my
18 knowledge, he doesn't have the ties.

19 VILLAGE PRESIDENT BRADY: But that's happening this
20 weekend.

21 TRUSTEE STOCKS: That's just --

22 TRUSTEE WESOLOWSKI: How is that --

23 (Simultaneous cross-talking.)

24 TRUSTEE WESOLOWSKI: Oh, it's called fever now?

1 CHIEF HANSEN: It's called fever.

2 TRUSTEE STOCKS: Fever, that's a new name.

3 CHIEF HANSEN: Yeah.

4 TRUSTEE MALOY: Is it still adult entertainment?

5 CHIEF HANSEN: It is. Well, last weekend they
6 were -- I was told that Saturday and Sunday night they
7 weren't open at all, which was shocking to me because,
8 you know, that's -- that's your big night.

9 And then we found out on Tuesday that they're
10 having this party. So they don't see -- When we had --
11 They've have some big crowds, but generally speaking,
12 it's not a huge crowd there. And we've had not too many
13 calls.

14 TRUSTEE PALLARDY: Did they notify you of this
15 party they're having?

16 CHIEF HANSEN: They did not. One of my -- Some of
17 my officers, they -- when they're not doing gang work,
18 they're monitoring the -- you know, the social media
19 stuff from the -- you know, that business and other
20 businesses just to see what's going on so we have --

21 So, like, for this one, I added personnel on
22 for Sunday night just to -- to make sure that -- in case
23 there's a huge crowd, that we're covered.

24 TRUSTEE STOCKS: Yeah.

1 TRUSTEE KENSIK: That's good. That's good.

2 VILLAGE PRESIDENT BRADY: So -- But that's another
3 happening in the Village.

4 TRUSTEE STOCKS: That's --

5 TRUSTEE WESOLOWSKI: But Oceans is --

6 TRUSTEE MALOY: You're invited, right, to the
7 party?

8 CHIEF HANSEN: Yeah. We had -- We had minor calls
9 there.

10 (Simultaneous cross-talking.)

11 VILLAGE PRESIDENT BRADY: The whole Board ...

12 TRUSTEE PALLARDY: You didn't get your invite?

13 CHIEF HANSEN: A few weeks back for being open
14 after hours but they've been relatively quiet, no --
15 no -- no serious -- no shootings, nothing like that.
16 It's been pretty controlled.

17 TRUSTEE KENSIK: Did you respond to that? Not you
18 personally, but did you guys respond to that shooting in
19 Summit?

20 CHIEF HANSEN: We did not.

21 TRUSTEE KENSIK: You didn't?

22 CHIEF HANSEN: No. I -- No, but they -- it was at
23 7:00 in the morning, too.

24 TRUSTEE STOCKS: Jesus.

1 VILLAGE PRESIDENT BRADY: If you want, I'll just go
2 over that with them a little. And I did explain that
3 other situation you talked about.

4 CHIEF HANSEN: Okay.

5 THE COURT: Anything you want to add with that,
6 too.

7 CHIEF HANSEN: So, again, the -- you know, we're
8 very lucky where we are geographically as far as our
9 residential area is.

10 TRUSTEE KENSIK: So far.

11 CHIEF HANSEN: It's hidden away.

12 TRUSTEE KENSIK: So far.

13 CHIEF HANSEN: It is. And it is so far.

14 There's -- There -- It's -- You really are
15 kind of stuck in there. When you go in there, you're
16 coming back out the same way kind of. So we have been,
17 what I would say, is lucky, given the nature of what is
18 happening --

19 TRUSTEE WESOLOWSKI: Mm-hmm.

20 CHIEF HANSEN: -- in the surrounding area.

21 TRUSTEE WESOLOWSKI: Mm-hmm.

22 CHIEF HANSEN: The thing from -- from Summit was on
23 the 28th. 7:10 in the morning a guy hears his vehicle
24 alarm going off, he looks out and sees a couple of cars

1 in the middle of the street and people around his work
2 truck. He goes out and opens the door and says -- yells
3 at them, What are you doing, thinking they're just going
4 to run. Well, one of the guys takes out a gun and
5 shoots at him. They say he misses -- barely misses him
6 and hits his house. You know, that's four blocks away.

7 TRUSTEE WESOLOWSKI: Mm-hmm.

8 CHIEF HANSEN: You know, Justice just had, like, a
9 Bentley was stolen, you know, and it was picked up at
10 64th and Archer on the cameras there. You know, so,
11 like, it's -- it's happening, it's going by us. You
12 know, it's just -- it's a -- there's a lot going on in
13 the world that we are -- we have -- we're insulated from
14 because of our location. We have a squad car in there
15 that's -- that's in there a lot, but I -- I attribute it
16 more to happenstance that we haven't seen something like
17 that yet.

18 TRUSTEE WESOLOWSKI: Mm-hmm.

19 CHIEF HANSEN: And it's --

20 TRUSTEE STOCKS: Yeah.

21 CHIEF HANSEN: It's just the world that we live in
22 right now and it's --

23 TRUSTEE WESOLOWSKI: Mm-hmm.

24 CHIEF HANSEN: -- it's scary and it's --

1 TRUSTEE KENSIK: Sure is.

2 TRUSTEE MALOY: Sad.

3 TRUSTEE PALLARDY: 63rd Street just the other side
4 of the tracks in Chicago, they emptied out two vans,
5 like, that had tools and things in it that -- that was
6 last week I believe.

7 CHIEF HANSEN: Yeah. And our -- our hotels get
8 that, too, with the work trucks and stuff.

9 TRUSTEE STOCKS: Yeah.

10 CHIEF HANSEN: They see a work truck. It's like
11 a --

12 TRUSTEE STOCKS: They know there's tools in there.

13 CHIEF HANSEN: They know there's tools in there and
14 they're hitting that.

15 TRUSTEE STOCKS: Yeah.

16 CHIEF HANSEN: And they're good at what they do.
17 They're quick and they're -- it's just -- it's just what
18 it is.

19 TRUSTEE WESOLOWSKI: How are the gates for the
20 Wintrust -- are the -- are the hotels?

21 VILLAGE PRESIDENT BRADY: The hotels -- We'll talk
22 about that.

23 TRUSTEE WESOLOWSKI: Okay. Okay.

24 VILLAGE PRESIDENT BRADY: You'll get it tonight.

1 They have approved a plan. We're going to
2 talk with Mr. Hallberg and ensure one building because
3 he's the other property owner and they don't get along
4 with the hotel people, but I think that's going to go.
5 They're still having incidents but it's not anywhere
6 near the rate that it was.

7 CHIEF HANSEN: We're -- We're chasing people out on
8 a regular basis, you know, and they -- and they run, but
9 we haven't had, like, one of the big nights where
10 they're -- where they've broken into 18 cars or
11 something like that, but yeah, they're -- they're around
12 and they're -- they're -- they're hitting stuff but it's
13 everywhere. It's -- You know, up and down Cicero,
14 they're just -- that's what they're -- they're doing.

15 TRUSTEE KENSIK: Yeah.

16 VILLAGE PRESIDENT BRADY: Cicero Avenue is the
17 dividing line. So that's kind of scary.

18 And, again, the other incident -- wasn't an
19 incident but it's there. Okay. It's -- It's definitely
20 there.

21 TRUSTEE KENSIK: Yeah.

22 CHIEF HANSEN: You just don't know. You know,
23 something like that, you just don't know what- -- what's
24 behind the scenes because there's not a whole lot of

1 information sharing from the federal level --

2 TRUSTEE STOCKS: Yeah.

3 CHIEF HANSEN: -- to us. So you just don't know
4 what exactly is happening. You hope nothing, but you
5 just -- it's another thing that's just, you know, from
6 the law enforcement side, that they look at and you're
7 just, like, Whoa, we don't know but we know that -- we
8 know how cartels handle business, you know.

9 TRUSTEE STOCKS: Right.

10 CHIEF HANSEN: And it's not -- And it's not in a
11 loving and kind way. You know, they're pretty
12 indiscriminate. And they're pretty complete with when
13 someone crosses them how they handle them and their
14 families. So it is -- You know, it's -- it's just
15 another concern for, like, me and my officers as far as
16 that.

17 TRUSTEE WESOLOWSKI: Mm-hmm.

18 TRUSTEE STOCKS: Very much so.

19 TRUSTEE RODRIGUEZ: And that's just -- that's
20 what's going on in our -- in our town?

21 CHIEF HANSEN: We have -- We have a resident who we
22 don't know the exact involvement but there -- there was
23 at one point, the person was wanted on a federal warrant
24 dealing with, like, drugs and racketeering and cartel

1 type of stuff. That's been taken care of. Like,
2 that -- that, you know, being wanted by them, we don't
3 know where it's at right now. So -- So you don't know
4 exactly what the resolution of it is.

5 So that's where, on our end, we don't -- not
6 to -- not to -- to try and scare, but we just don't --
7 we don't know what's going on but, you know, the people
8 that are involved with that sort of thing are --
9 There's -- There's -- There's no remorse, there's no
10 care for human life, and there's literally no care for
11 collateral damage in -- in that world. So that's just
12 one of those things that, you know, it's concerning.

13 TRUSTEE KENSIK: Yeah.

14 TRUSTEE STOCKS: Well ...

15 CHIEF HANSEN: Well, I'm nothing but a cheer --

16 (Laughter.)

17 CHIEF HANSEN: -- and happiness, Happy
18 Thanksgiving.

19 TRUSTEE RODRIGUEZ: We need -- We need to know
20 these things.

21 TRUSTEE WESOLOWSKI: Of course.

22 TRUSTEE RODRIGUEZ: I mean, I live in a little --

23 TRUSTEE WESOLOWSKI: Of course.

24 TRUSTEE RODRIGUEZ: -- bubble inside my house and

1 think everything is fine. I don't know what goes on out
2 here. So we need to be aware.

3 VILLAGE PRESIDENT BRADY: We -- We try to let you
4 know all of it on some of this stuff, and we knew about
5 this other case over a year and a half ago probably, but
6 some of this stuff has got to stay private --

7 TRUSTEE RODRIGUEZ: Absolutely.

8 TRUSTEE STOCKS: Oh, yeah. Yeah.

9 VILLAGE PRESIDENT BRADY: -- unless we do it in
10 executive session.

11 TRUSTEE WESOLOWSKI: Right. Right. Right.

12 VILLAGE PRESIDENT BRADY: And even in executive
13 session --

14 TRUSTEE WESOLOWSKI: Right.

15 VILLAGE PRESIDENT BRADY: -- those minutes are --

16 TRUSTEE WESOLOWSKI: Right.

17 VILLAGE PRESIDENT BRADY: -- they are subject to
18 somebody looking at it.

19 So, you know, I had a complaint from a
20 resident about something that was said by somebody just
21 yesterday and it was kind of ridiculous, but, you know,
22 like, you say it goes out there.

23 TRUSTEE STOCKS: Oh, year.

24 VILLAGE PRESIDENT BRADY: And we got to be

1 especially careful in the meeting.

2 TRUSTEE STOCKS: Sure.

3 CHIEF HANSEN: Well, I would like to be a little
4 bit of sunshine in everybody's life.

5 TRUSTEE KENSIK: Hey, keep us safe. Keep yourself
6 safe.

7 (Simultaneous cross-talking.)

8 TRUSTEE WESOLOWSKI: I've heard so many things.
9 This one is going -- You know, Southern Bell doesn't
10 want to sell now, and this is, you know -- it's like --

11 VILLAGE PRESIDENT BRADY: We have a contract from
12 them.

13 VILLAGE ATTORNEY GRYZEWSKI: They don't want to
14 sell?

15 TRUSTEE WESOLOWSKI: They don't want to sell. I
16 was just there.

17 VILLAGE ATTORNEY GRYZEWSKI: I would be -- I would
18 be stunned, Nancy.

19 TRUSTEE WESOLOWSKI: I'm just saying --

20 (Simultaneous cross-talking.)

21 TRUSTEE WESOLOWSKI: -- I went there just getting
22 soup for my friend.

23 VILLAGE ATTORNEY GRYZEWSKI: He's been so helpful.
24 In fact, he sent me their tax bill.

1 TRUSTEE WESOLOWSKI: Well, it wasn't him. It was
2 Moe.

3 VILLAGE ATTORNEY GRYZEWSKI: Then Moe is wrong.

4 TRUSTEE WESOLOWSKI: I know, but I'm saying, I went
5 there just to get soup for my friend.

6 TRUSTEE STOCKS: Larry, did he give any indication
7 when he's going to tell his employees?

8 VILLAGE ATTORNEY GRYZEWSKI: No, I don't ask him.

9 TRUSTEE WESOLOWSKI: No. And I said nothing.

10 TRUSTEE STOCKS: Because apparently based -- I was
11 in there the other day and Moe questioned me.

12 TRUSTEE WESOLOWSKI: Yeah.

13 TRUSTEE STOCKS: I said, Well, I don't really know
14 anything, Moe.

15 TRUSTEE WESOLOWSKI: Right.

16 TRUSTEE STOCKS: It's in the attorney's hands.

17 TRUSTEE WESOLOWSKI: Right. Right.

18 VILLAGE PRESIDENT BRADY: It's up to -- It's up to
19 Steve --

20 TRUSTEE STOCKS: Yeah.

21 TRUSTEE WESOLOWSKI: Yeah.

22 VILLAGE PRESIDENT BRADY: -- to communicate. And
23 Steve told us he's taking care of Moe. He's taking care
24 of all the employees.

1 TRUSTEE WESOLOWSKI: That's nice, yeah.

2 TRUSTEE STOCKS: Okay.

3 VILLAGE PRESIDENT BRADY: Okay?

4 TRUSTEE WESOLOWSKI: Yeah.

5 VILLAGE PRESIDENT BRADY: But if he doesn't want to
6 sell, that's fine. It's not --

7 TRUSTEE WESOLOWSKI: Well, that's just hearsay. I
8 didn't say nothing. I just went in for soup, but that's
9 all good.

10 VILLAGE PRESIDENT BRADY: I wouldn't like to see
11 them go because there's still a need for a breakfast
12 place over at the other side, but --

13 TRUSTEE STOCKS: Yeah.

14 VILLAGE PRESIDENT BRADY: -- you know, if he
15 doesn't want to sell, that's fine.

16 TRUSTEE STOCKS: Sure.

17 TRUSTEE KENSIK: Yeah. Yeah.

18 TRUSTEE WESOLOWSKI: And they don't want to go over
19 there by the Wintrust, huh?

20 VILLAGE PRESIDENT BRADY: Well, he -- he would get
21 murdered with -- And he -- he already told us how much
22 his taxes went up this year already.

23 VILLAGE ATTORNEY GRYZEWSKI: I got his tax bill.

24 TRUSTEE WESOLOWSKI: Oh, right there?

1 VILLAGE ATTORNEY GRYZEWSKI: 44,000, over at 65th
2 and Central it would be 140 grand.

3 TRUSTEE WESOLOWSKI: Oh.

4 TRUSTEE KENSIK: Oh, my gosh.

5 VILLAGE PRESIDENT BRADY: Well, you can see during
6 the
7 week. Now, I think he does okay on the weekends but
8 there's hardly --

9 (Simultaneous cross-talking.)

10 TRUSTEE STOCKS: Not that much during the week.

11 VILLAGE PRESIDENT BRADY: He's got two people
12 working, Moe and --

13 (Simultaneous cross-talking.)

14 TRUSTEE WESOLOWSKI: Yeah. Yeah. Yeah.

15 TRUSTEE STOCKS: And a couple cooks.

16 TRUSTEE WESOLOWSKI: Yeah. Yeah.

17 VILLAGE PRESIDENT BRADY: So, you know, it's --
18 it's, like, when Dairy Queen left -- and I was involved
19 in the library event --

20 (Laughter.)

21 VILLAGE PRESIDENT BRADY: There was never so bad a
22 meeting in my life, but I would love to still see Dairy
23 Queen here.

24 TRUSTEE KENSIK: Me too. We miss it.

1 TRUSTEE RODRIGUEZ: Oh, yeah.

2 VILLAGE PRESIDENT BRADY: Where's the business?

3 TRUSTEE WESOLOWSKI: Yeah. Yeah. Yeah. Got it.

4 VILLAGE PRESIDENT BRADY: I wish our old bank was
5 still open --

6 TRUSTEE STOCKS: Yeah.

7 VILLAGE PRESIDENT BRADY: -- you know, and the
8 drive-in but it's not.

9 TRUSTEE MALOY: Okay.

10 VILLAGE PRESIDENT BRADY: Anybody remember
11 Kissler's (phonetic)?

12 TRUSTEE KENSIK: Oh, yes, Chester's Tavern.

13 VILLAGE PRESIDENT BRADY: It was a soda stand at
14 63rd and Archer and there was the Argo show next to it.
15 You know, I was a real little kid then. I was about 27,
16 but --

17 TRUSTEE STOCKS: I heard there was a -- there used
18 to be a movie theater.

19 VILLAGE PRESIDENT BRADY: Yeah, it was the theater.

20 TRUSTEE STOCKS: Yeah.

21 VILLAGE PRESIDENT BRADY: Okay. Larry ...

22 VILLAGE ATTORNEY GRYZEWSKI: Just under my
23 portion, we have the renewals for Nucor and Kinder
24 Morgan. Once again, we'll table it. They have not or

1 will not have any repairs on those properties. This is
2 their third renewal. We just talked about after two
3 it's sort of touch and go. The taxes are going through
4 the ceiling. He showed me,
5 but -- but this is their third renewal. So you're
6 talking almost a 35-year tax break. They have no
7 repairs coming on board so, you know ...

8 TRUSTEE STOCKS: I don't know. I mean, what --

9 VILLAGE ATTORNEY GRYZEWSKI: There's nothing -- I
10 mean, usually, like, when the Mayor and I talked with
11 Ingredion, they -- they're giving us repair lists.

12 TRUSTEE STOCKS: All right. At least they're going
13 to do something.

14 VILLAGE ATTORNEY GRYZEWSKI: Absolutely.

15 TRUSTEE STOCKS: Okay. Kinder Morgan ...

16 VILLAGE PRESIDENT BRADY: They asked the Board,
17 too. And Mayor Landek, I talked to him yesterday, and
18 Bridgeview is doing some things like this, but if they
19 come in for a third one -- okay, because that's -- like
20 Larry said, it's 36 years then, the tax breaks --

21 TRUSTEE STOCKS: Okay.

22 VILLAGE PRESIDENT BRADY: -- but they're not
23 increasing the value, that we say, you've got to list
24 things that you plan to do or there's a way to give them

1 -- and this is something we haven't done before that I
2 know of, but there's a way of the taxes going up by the
3 amount of work that they do or taxes going down. And if
4 it's a third time, we might want to look at that.

5 TRUSTEE STOCKS: Yeah. I would agree with that.

6 TRUSTEE KENSIK: Yeah.

7 TRUSTEE STOCKS: I would agree with that.

8 VILLAGE ATTORNEY GRYZEWSKI: As the Mayor
9 indicated, we did have discussions today with Ingredion.
10 They're looking for 26-million-dollar tax break. What
11 we've discussed with them in principal, is that
12 50 percent of the 6 B for the first three years. The
13 other 50 percent they could reapply after three years to
14 see how things were going.

15 We would then also pay them or rebate them
16 \$1 million a year from their water tax money that's
17 coming in. Their water revenue -- I forgot how many
18 billions of gallons they use, but they're the second
19 largest water customer. And we have more than enough
20 money in the water account. We'll rebates them that
21 money.

22 TRUSTEE STOCKS: Nice.

23 VILLAGE ATTORNEY GRYZEWSKI: We just got to make
24 sure that we say rebate because, remember, you got

1 Illinois American out there and they have a guarantee
2 that they get the lowest rate. So we got to say rebate
3 not a --

4 TRUSTEE KENSIK: Yeah, rebate.

5 VILLAGE ATTORNEY GRYZEWSKI: -- change in rates.

6 Then we also have to make sure our bond
7 council doesn't violate any bond ordinance that -- I
8 don't believe it does. And they also agreed that if
9 they leave prior to the 6 B, they'll pay us back. So we
10 have a commitment and they're making repairs.

11 TRUSTEE STOCKS: And they are making repairs?

12 VILLAGE ATTORNEY GRYZEWSKI: They're making
13 repairs. They reached out to the schools. They're
14 giving the schools a little more incentive, I guess, to
15 look at it. It's our call not the school's, but we'll
16 meet with them tomorrow, but they will pay us back.

17 TRUSTEE STOCKS: All right. All right.

18 VILLAGE PRESIDENT BRADY: And this will help to
19 keep the taxes down for everybody else.

20 TRUSTEE STOCKS: Yeah.

21 TRUSTEE WESOLOWSKI: Larry, how many of these 6 B's
22 can we give them?

23 VILLAGE ATTORNEY GRYZEWSKI: There's no limit.

24 TRUSTEE WESOLOWSKI: No limit.

1 VILLAGE ATTORNEY GRYZEWSKI: Usually -- They
2 usually go at the most, Nancy, twice. We gave -- oh,
3 not Kinder Morgan -- JATX three, and we, I think at one
4 time, Sentis (phonetic) asked for it.

5 TRUSTEE WESOLOWSKI: Okay.

6 VILLAGE ATTORNEY GRYZEWSKI: But they said no,
7 withdraw it.

8 TRUSTEE WESOLOWSKI: Okay.

9 VILLAGE ATTORNEY GRYZEWSKI: So right now I think
10 the only third one is with JATX.

11 TRUSTEE WESOLOWSKI: Okay.

12 TRUSTEE STOCKS: Okay.

13 VILLAGE PRESIDENT BRADY: GT -- GT, they gave us
14 some -- they did some work.

15 VILLAGE ATTORNEY GRYZEWSKI: Yeah, they did.

16 TRUSTEE WESOLOWSKI: Okay.

17 VILLAGE ATTORNEY GRYZEWSKI: The ALPA proposal, I
18 believe the Board has a copy of it.

19 TRUSTEE WESOLOWSKI: Mm-hmm.

20 TRUSTEE STOCKS: Yeah.

21 TRUSTEE WESOLOWSKI: Yeah.

22 VILLAGE ATTORNEY GRYZEWSKI: The Mayor and I went
23 over it again when we talked to Steve. Again -- Once,
24 again, him and Joanna (phonetic) and his staff extremely

1 efficient. As you could tell, his cost would be
2 \$1.4 million plus some supplemental services.

3 I think it's important from our standpoint --
4 and he agreed to it -- say, a month from now or two
5 months from now we -- we say we can't do it, we can't
6 afford it. We'll -- He'll just bill us up to that of
7 services so we're not liable for the entire 1.4. So
8 three months from now you say, Oh, man, if he's got
9 30 percent into it, we pay him 30 percent.

10 TRUSTEE WESOLOWSKI: Mm-hmm. Mm-hmm.

11 VILLAGE ATTORNEY GRYCZEWSKI: That's pretty fair.

12 He is going to move on it, you know, fairly
13 quickly because prices are pretty good.

14 TRUSTEE STOCKS: All right.

15 VILLAGE ATTORNEY GRYCZEWSKI: He's got all the
16 information, but he'll keep us posted, come to the board
17 meeting any time we want him here, but, you know,
18 they're -- and his 4.5 percent, that's lower than
19 industry standards.

20 TRUSTEE STOCKS: Okay.

21 VILLAGE ATTORNEY GRYCZEWSKI: It's usually 5.5 to
22 6 for architects.

23 TRUSTEE STOCKS: Okay.

24 VILLAGE ATTORNEY GRYCZEWSKI: So that's up tonight.

1 And then Dan Riordan asked for use of the
 2 sports complex and -- for the Reavis High School --

3 VILLAGE PRESIDENT BRADY: For evacuation.

4 TRUSTEE STOCKS: For evacuation purposes.

5 VILLAGE ATTORNEY GRYCZEWSKI: All right. Thank
 6 you.

7 A variance from Bedford Grow, that's the
 8 marijuana place, I believe, for the setback. I think
 9 Alyssa has no issue with it as far as I know.

10 The next one is WGP [sic]. That is Mr. Park
 11 and the Wyndham Hotel. We're going to close on that,
 12 God willing the creek don't rise, on Monday, but they're
 13 moving pretty good out there. I mean, that Mike
 14 Marcuso --

15 VILLAGE PRESIDENT BRADY: He's fantastic.

16 VILLAGE ATTORNEY GRYCZEWSKI: Oh, wow.

17 TRUSTEE WESOLOWSKI: Is it going up.

18 VILLAGE ATTORNEY GRYCZEWSKI: Yeah, he's digging.

19 VILLAGE PRESIDENT BRADY: I think they're opening
 20 next week.

21 TRUSTEE WESOLOWSKI: Really?

22 TRUSTEE KENSIK: Wow.

23 TRUSTEE WESOLOWSKI: I'm kidding. I don't --

24 (Laughter.)

1 TRUSTEE WESOLOWSKI: I don't mean going up --
2 opening, but, you know, it's not like what it is
3 already. Every time we go out there, right, Terry --

4 TRUSTEE STOCKS: Yeah.

5 TRUSTEE WESOLOWSKI: -- it, like, looking for one
6 little thing to go up.

7 VILLAGE ATTORNEY GRYZEWSKI: I'm glad you mention
8 that. I talked to Jennifer, and she's just like Mike.
9 She's boom, boom, boom, boom.

10 TRUSTEE WESOLOWSKI: But it's not their fault.

11 VILLAGE ATTORNEY GRYZEWSKI: Well, they found a
12 tank again. Where they were putting that apron in --

13 TRUSTEE WESOLOWSKI: Yeah.

14 VILLAGE ATTORNEY GRYZEWSKI: -- for the
15 driveway --

16 TRUSTEE STOCKS: Yeah.

17 VILLAGE ATTORNEY GRYZEWSKI: -- there's an
18 underground tank --

19 TRUSTEE STOCKS: Oh, geez.

20 VILLAGE ATTORNEY GRYZEWSKI: -- not a big one. I
21 said, Jennifer, just get rid of it.

22 TRUSTEE WESOLOWSKI: Yeah.

23 VILLAGE ATTORNEY GRYZEWSKI: I mean, legally --

24 TRUSTEE STOCKS: Yeah.

1 VILLAGE ATTORNEY GRYZEWSKI: -- get rid of it.

2 We'll pay it because it's -- it's on our land.

3 TRUSTEE WESOLOWSKI: Yeah. Yeah.

4 VILLAGE ATTORNEY GRYZEWSKI: And it was empty but
5 that just shows you --

6 TRUSTEE WESOLOWSKI: Yeah.

7 VILLAGE ATTORNEY GRYZEWSKI: -- they run into a
8 lot of problems --

9 TRUSTEE WESOLOWSKI: They did, yeah.

10 VILLAGE ATTORNEY GRYZEWSKI: -- and now you're
11 bringing something to the Mayor and the board -- the
12 next board meeting, they've incurred over \$900,000 of
13 costs that they weren't anticipating.

14 TRUSTEE STOCKS: Wow.

15 TRUSTEE KENSIK: Wow, that's ...

16 VILLAGE ATTORNEY GRYZEWSKI: So I know -- I get --
17 I told Jennifer: Jennifer, we'll be the first ones to
18 buy a pizza, please.

19 She goes, Larry --

20 TRUSTEE STOCKS: Yeah.

21 VILLAGE ATTORNEY GRYZEWSKI: She's legit.

22 TRUSTEE STOCKS: Yeah.

23 VILLAGE ATTORNEY GRYZEWSKI: And she gave me all
24 the costs.

1 TRUSTEE WESOLOWSKI: Wow.

2 VILLAGE ATTORNEY GRYCZEWSKI: And, you know, I know
3 we're -- Mr. Hoffman quite a bit, but 900 grand that he
4 was not anticipating.

5 TRUSTEE WESOLOWSKI: Now, do we pay that for them?

6 VILLAGE ATTORNEY GRYCZEWSKI: No.

7 TRUSTEE WESOLOWSKI: Really?

8 VILLAGE ATTORNEY GRYCZEWSKI: No. We have
9 something if the TIFF to help them.

10 TRUSTEE WESOLOWSKI: Right.

11 VILLAGE ATTORNEY GRYCZEWSKI: I'm going to propose
12 that because what's fair is fair.

13 TRUSTEE STOCKS: Right.

14 TRUSTEE WESOLOWSKI: Right. Right.

15 VILLAGE ATTORNEY GRYCZEWSKI: And that was not
16 anticipated.

17 TRUSTEE WESOLOWSKI: I see.

18 TRUSTEE STOCKS: Are they still planning on opening
19 before the end of the year?

20 VILLAGE ATTORNEY GRYCZEWSKI: That's the game plan,
21 Terry.

22 TRUSTEE STOCKS: Okay.

23 VILLAGE ATTORNEY GRYCZEWSKI: And it looks as
24 though Thorntons it might not go in. Yeah. We have --

1 We might be able to purchase that, but it looks like
2 Thorntons is -- Thorntons got bought out by BP.

3 TRUSTEE STOCKS: Oh.

4 TRUSTEE WESOLOWSKI: And that was supposed to be
5 next to Moretti's.

6 TRUSTEE STOCKS: Yeah. All right.

7 VILLAGE PRESIDENT BRADY: We've been always a
8 little worried with that competition between the two gas
9 stations. Are we shooting ourself in the foot?

10 TRUSTEE STOCKS: Yeah.

11 VILLAGE PRESIDENT BRADY: That's not a bad thing.

12 TRUSTEE WESOLOWSKI: Okay.

13 VILLAGE ATTORNEY GRYZEWSKI: The next one are
14 payments to ALPA for the gated community that they're
15 working on.

16 Alyssa asked for approval to pay Lindahl.
17 This is for Sayre Avenue, which is in our budget --
18 \$341,000.

19 Again, Alyssa to pay Nardulli for construction
20 work in the sidewalks on -- I believe that's 73rd
21 Street -- \$116,000.

22 TRUSTEE STOCKS: Yeah.

23 VILLAGE ATTORNEY GRYZEWSKI: And then Gewalt
24 Hamilton for professional service, again, for our gated

1 community -- \$5,850 -- 830 -- I'm sorry.

2 Novotny, they gave us a survey which we need,
3 it's professional -- Atlas is very important -- 33,730,
4 which is, I think, pretty much average.

5 And then the healthcare renewal package, I
6 think the costs have gone up -- and don't quote me on
7 this -- about 7.5 percent.

8 VILLAGE PRESIDENT BRADY: That's not bad.

9 VILLAGE ATTORNEY GRYZEWSKI: Not bad.

10 And then we're going to transfer 2 million
11 from the water fund to the general fund. It helps us
12 out. We're going to transfer 1.7 from the general fund
13 to the debt service fund; approval to pay Amalgamated
14 Bank \$1.3 million just for bonds.

15 Same with number 18, we're paying \$239,500 for
16 more bonds; those are just debt service payments. And
17 then approval to pay ALPA 149,847 for work done on the
18 historical pump station. The mayor and I talked to
19 Steve about that, too. He should turn over the keys to
20 us, as they say, by the third week in November.

21 TRUSTEE MALOY: And then what's going to -- what
22 are we going to do with that after all?

23 VILLAGE ATTORNEY GRYZEWSKI: I think what we're
24 intending to do is have Alyssa go there for -- I'm

1 sorry. You're not Alyssa. You're Yvette.

2 (Continuing.) -- go over there for two hours a
3 day and then the rest of this can be the historical
4 society --

5 TRUSTEE STOCKS: Okay.

6 VILLAGE ATTORNEY GRYZEWSKI: -- you know, and it
7 will look nice. We're going to put a camera in there
8 and a buzzer. And once Steve has it completed, that
9 turned out very, very nice. We don't think the library
10 has any more interest in it so --

11 TRUSTEE STOCKS: Oh, yeah.

12 VILLAGE ATTORNEY GRYZEWSKI: And it's going to be
13 a very nice office. You know, Steve does class work
14 and -- but end of November, that's what we're looking
15 for.

16 TRUSTEE STOCKS: Okay.

17 VILLAGE ATTORNEY GRYZEWSKI: So we can get all the
18 furniture or whatever else we need in there.

19 TRUSTEE MALOY: It was the library who came to us
20 asking --

21 VILLAGE ATTORNEY GRYZEWSKI: Yes.

22 TRUSTEE MALOY: -- to redo it, though, right?

23 TRUSTEE STOCKS: Yeah.

24 VILLAGE ATTORNEY GRYZEWSKI: Sandy, they told us

1 five years, that's what the library told us, it took us
2 five years to get it completed, two years, because I
3 asked Steve --

4 TRUSTEE MALOY: And now they want nothing to do
5 with it?

6 VILLAGE PRESIDENT BRADY: It was Bridget. Bridget
7 wanted it --

8 TRUSTEE STOCKS: Yeah.

9 TRUSTEE MALOY: Yeah.

10 VILLAGE PRESIDENT BRADY: -- and we jumped on board
11 because it made some sense, but she backed out, but her
12 and Ann told me it's been five years. It wasn't. We
13 went through the records --

14 TRUSTEE STOCKS: No, that didn't sound right.

15 VILLAGE PRESIDENT BRADY: -- and checked with
16 Steve. It was two years.

17 TRUSTEE RODRIGUEZ: So these two amounts here is
18 the total amount that we spent for this?

19 VILLAGE ATTORNEY GRYCZEWSKI: Oh, no. I think it
20 was closer to, I want to say, 850- -- \$850,000.

21 TRUSTEE RODRIGUEZ: To renovate that?

22 TRUSTEE KENSIK: Yeah.

23 VILLAGE ATTORNEY GRYCZEWSKI: Yes, ma'am.

24 TRUSTEE WESOLOWSKI: And what are we going to use

1 this for?

2 VILLAGE PRESIDENT BRADY: It will be for -- There's
3 still -- It's still technically a water building, but it
4 will be a site for the historical society of the
5 Village, and I got names for appointments to the
6 committee tonight, and then the senior committee.

7 Yvette will oversee that. She'll also put
8 together all of the historical data over there.

9 TRUSTEE STOCKS: Okay.

10 VILLAGE PRESIDENT BRADY: And it will be ongoing
11 process.

12 TRUSTEE STOCKS: Okay.

13 VILLAGE PRESIDENT BRADY: We have some pictures
14 here and some records here, but we'll have a nice little
15 -- It's a historical building, and knocking it down, I
16 think, would have caused more waves, and technically it
17 still can function with water to a degree.

18 TRUSTEE STOCKS: And it could be used in the event
19 of -- of -- this building would be uninhabitable that we
20 could use that over there for -- as a public contact
21 point until our building would be repaired --

22 VILLAGE PRESIDENT BRADY: Yeah. Like what Terry --

23 TRUSTEE STOCKS: -- things like that.

24 VILLAGE PRESIDENT BRADY: -- said, for emergency

1 bases. Yvette is going to order -- a little confusion
2 on her desk here, but I think we've had that
3 straightened out now. So that will come here but then
4 also for computer things there and the -- any other
5 stuff that we need.

6 TRUSTEE WESOLOWSKI: So how did you say it would
7 relate to water, Mayor? I'm sorry.

8 VILLAGE PRESIDENT BRADY: Chris would have to talk
9 with -- The guts are in there because I'm not sure.

10 TRUSTEE WESOLOWSKI: Oh, okay. I just wondered.

11 VILLAGE PRESIDENT BRADY: There's a water station
12 or pump over there.

13 TRUSTEE WESOLOWSKI: I see.

14 VILLAGE ATTORNEY GRYZEWSKI: I will say this:
15 When we went in there two or three years ago -- Steven,
16 myself, the Mayor, I think, Kevin -- yeah, from the
17 outside, it looks okay. From the inside, no.

18 TRUSTEE STOCKS: No.

19 VILLAGE ATTORNEY GRYZEWSKI: In fact, I think
20 there might have been some asbestos, things like that.

21 TRUSTEE STOCKS: Yeah.

22 VILLAGE ATTORNEY GRYZEWSKI: One of the walls
23 was -- I won't say caving in --

24 TRUSTEE KENSIK: Caving in.

1 TRUSTEE WESOLOWSKI: Oh, okay.

2 VILLAGE ATTORNEY GRYZEWSKI: -- but it wasn't in
3 good shape. Steve's got pictures in case everybody
4 wants to look at it, but you're right, Sandy, the
5 library came to us to ask for help. So we did it.

6 VILLAGE PRESIDENT BRADY: Bridget came to us with
7 that.

8 TRUSTEE WESOLOWSKI: Yeah. It looks really nice,
9 and -- and it really does. So I mean, I think it's
10 great that we kept it so ...

11 VILLAGE PRESIDENT BRADY: And the -- the canal
12 people, it technically was there center. We gave that
13 to them for a year and that came through Judy Halloway
14 years ago, but they were just using it as a storage
15 area.

16 TRUSTEE WESOLOWSKI: Storage.

17 TRUSTEE STOCKS: Yeah.

18 VILLAGE PRESIDENT BRADY: And they didn't have the
19 personnel to man it.

20 TRUSTEE WESOLOWSKI: So we're going to open it up
21 and have people sitting there and --

22 VILLAGE PRESIDENT BRADY: Yvette will be there
23 about two hours. She'll have to make her own schedule.

24 TRUSTEE WESOLOWSKI: Yeah. Yeah. Yeah.

1 VILLAGE PRESIDENT BRADY: And the historical -- I
2 know she met with the seniors today, but they'll do
3 their stuff over there. You know, I still -- we're a
4 way off from it, but I'd still like to see that little
5 medical, you know, if we brought --

6 TRUSTEE WESOLOWSKI: Yeah.

7 VILLAGE PRESIDENT BRADY: -- Stickney Township, but
8 that's -- that's extremely compensated --

9 TRUSTEE WESOLOWSKI: Yeah.

10 TRUSTEE STOCKS: Yeah.

11 VILLAGE PRESIDENT BRADY: -- insurance. That's a
12 way off even if we could ever do it.

13 TRUSTEE WESOLOWSKI: Yeah. Yeah. And what's --

14 VILLAGE PRESIDENT BRADY: One day a week where kids
15 could go get a check-up or whatever, but --

16 TRUSTEE WESOLOWSKI: Yeah.

17 TRUSTEE STOCKS: Yeah.

18 TRUSTEE WESOLOWSKI: And what's the name of it now?
19 What did we name it?

20 VILLAGE PRESIDENT BRADY: Reckle -- Ruble or Reckle
21 Ruble. Lynn -- Lynn and Gail did all --

22 TRUSTEE WESOLOWSKI: Yeah. Yeah.

23 VILLAGE PRESIDENT BRADY: -- our historical stuff
24 for a year.

1 TRUSTEE STOCKS: Yeah.

2 TRUSTEE WESOLOWSKI: Yeah. Okay. Good. Good.

3 VILLAGE ATTORNEY GRYZEWSKI: The last thing I
4 have -- again, we're closing Monday on that property
5 with Mr. Park. Nobody money being transferred, but
6 we're giving him the land in exchange for him building
7 the Wyndham. It's been a difficult closing but our
8 closing costs for title charges, which are --

9 TRUSTEE WESOLOWSKI: Mm-hmm.

10 VILLAGE ATTORNEY GRYZEWSKI: -- \$6,590, I'll need
11 a check for that from Rhonda.

12 TRUSTEE STOCKS: Okay.

13 VILLAGE ATTORNEY GRYZEWSKI: That's extremely --
14 Usually, on a 3-million-dollar deal, you're probably
15 looking at 30- or \$40,000 in title fees.

16 TRUSTEE RODRIGUEZ: I don't see that.

17 Is that on here?

18 VILLAGE ATTORNEY GRYZEWSKI: No.

19 TRUSTEE RODRIGUEZ: Oh, okay.

20 VILLAGE ATTORNEY GRYZEWSKI: I had to get
21 because --

22 TRUSTEE KENSIK: Not tonight.

23 VILLAGE ATTORNEY GRYZEWSKI: We're going to close
24 in escrow on Monday and before this, they -- if it's

1 over 50, you got to wire transfer funds.

2 TRUSTEE WESOLOWSKI: Right. Right.

3 VILLAGE ATTORNEY GRYCZEWSKI: No. I -- They'll
4 take a check.

5 TRUSTEE WESOLOWSKI: That's nice.

6 TRUSTEE STOCKS: Are you going to bring up the
7 movement of funds in our investment account based on
8 Marilyn's recommendation and BMO's?

9 VILLAGE PRESIDENT BRADY: I think it's on -- if she
10 put it on the agenda, yeah.

11 TRUSTEE STOCKS: Okay. All right. Okay.

12 TRUSTEE RODRIGUEZ: And, Larry, I just have one
13 question.

14 VILLAGE ATTORNEY GRYCZEWSKI: Sure.

15 TRUSTEE RODRIGUEZ: Number 9, authorization for the
16 president to execute. Who is the president?

17 VILLAGE PRESIDENT BRADY: Technically.

18 VILLAGE ATTORNEY GRYCZEWSKI: By law, Juanita, you
19 could use president mayor interchangeably.

20 TRUSTEE RODRIGUEZ: Okay.

21 VILLAGE ATTORNEY GRYCZEWSKI: And the same with
22 Alder people or trustees, you can use them
23 interchangeably, but since we're a Village, he's known
24 as the president.

1 TRUSTEE RODRIGUEZ: President.

2 VILLAGE ATTORNEY GRYZEWSKI: And if it's a city,
3 it's a mayor.

4 TRUSTEE STOCKS: Yeah.

5 TRUSTEE RODRIGUEZ: Okay. So he's going to ask you
6 to handle this?

7 VILLAGE ATTORNEY GRYZEWSKI: Yeah. It's used
8 interchangeably.

9 VILLAGE PRESIDENT BRADY: Okay.

10 TRUSTEE STOCKS: All righty.

11 VILLAGE PRESIDENT BRADY: Okay. Revenues, we're in
12 good shape with everything. Remember, they're always
13 subject to collection and distribution cycles. I
14 actually was surprised that the property tax was that
15 high without the collections really being -- going yet.

16 We'll ask for an executive session on labor
17 negotiations. We've got a couple of ideas there that
18 might work.

19 Phase II on the building, we will still
20 investigate Mr. Park's proposal that it might be less
21 extensive. We don't know, but ALPA is giving us cost
22 estimates. I gave them to the Board at the last
23 meeting. We think those are realistic. Our dealings
24 with ALPA have been very good. They produce for us.

1 John George is going to come in Tuesday, I
2 think, and go over the finances to see what we can
3 afford to do. Okay?

4 TRUSTEE STOCKS: Okay.

5 VILLAGE PRESIDENT BRADY: And then we'll go from
6 there.

7 Joe is still working with the White Sox, but I
8 don't think the White Sox are going to commit until we
9 know -- they know from whether we got the building going
10 up.

11 TRUSTEE STOCKS: Yeah.

12 VILLAGE PRESIDENT BRADY: The cost estimates are
13 what they are, and we'll see what we can do. The hotel
14 gated, we do have an agreement with the Weglarz and the
15 Johnson Group. That would be \$2 million out of TIFF
16 money. It has to be done by the end of the year. We're
17 going to talk with Mr. Hallberg's representative,
18 hopefully, next week with that.

19 Financing, again, we're going to meet with
20 John. With the gated here, the one change in the
21 gardens, there only will be one gate and it will be on
22 the garden's -- technically on the garden's property,
23 okay, because ComEd won't let a gate in on their
24 property, which was going to be a gate on their side.

1 It really doesn't affect it because the garden's people
2 would -- you know, they will just be going through one
3 gate instead of two. It's actually going to be a little
4 cheaper.

5 We're scheduled to meet with the library board
6 on December 11th. I call -- talked to Linda today and
7 show them how the plans relate to them.

8 IDOT, Steve is working with IDOT. They want
9 more information, but we won't know with that for a
10 while yet. I mean, there's just -- So there's a lot of
11 variables with that still going on.

12 The police did make an arrest with the
13 incident with the arson and theft at the Target store.
14 This was a copycat crime, apparently, from one that
15 happened downtown in the city.

16 TRUSTEE STOCKS: Oh, yeah.

17 VILLAGE PRESIDENT BRADY: Ingredient, we talked
18 about that, and that was a good meeting today. And
19 honestly, the idea with water, that came from Rhonda.
20 You know, she comes up with some crazy ones, but it was
21 a good one and they were very appreciative. And the
22 attorney that handles the taxes for us, he wasn't on the
23 call today but he liked the idea, too.

24 So solar, they're coming in, I think, Friday

1 next week. Committee appointments, like to recommend
2 Mrs. Payne -- I don't know what her first name is -- for
3 the air quality board, which she's a Corn Products
4 employee. She's actually the president of their union.
5 She's kind of a character if you know her, but we
6 recommend her.

7 For the committee for the historical
8 committee, I would like to recommend seven names. All
9 but two of them were born and raised in the Village.
10 Okay? I try to keep those people from other connections
11 involved that didn't work, but it would be Linda Racko,
12 Marcello Aguilar, Gail Ruble, Bridget Ormins, who was
13 involved with it --

14 TRUSTEE STOCKS: Yeah.

15 VILLAGE PRESIDENT BRADY: Joyce Jouzma
16 (phonetic) -- What's her married name?

17 TRUSTEE WESOLOWSKI: Phillips.

18 VILLAGE PRESIDENT BRADY: Phillips, Mike Williams,
19 and Bob Erklund. Bob's got all kind of pictures. I
20 know he's gone a lot, but if you have anybody else,
21 but -- you know, I try to keep it where it's not a
22 political thing although it always is, but also with
23 people would have historical knowledge.

24 TRUSTEE WESOLOWSKI: Yeah.

1 TRUSTEE STOCKS: Sure.

2 TRUSTEE WESOLOWSKI: Oh, my God. Joyce would love
3 it.

4 TRUSTEE KENSIK: Sounds good.

5 VILLAGE PRESIDENT BRADY: Yeah. Well, she was born
6 here.

7 TRUSTEE WESOLOWSKI: Yeah.

8 TRUSTEE KENSIK: Yeah.

9 VILLAGE PRESIDENT BRADY: Tickets, this is our
10 yearly -- Oh, shoot. It's 7:00 o'clock already.

11 The tickets, we had a person with
12 \$11,000 worth. It had to do mainly with a garage issue,
13 and they settled the garage issue. We're going to just
14 drop that one.

15 Our past practice has been if somebody owed a
16 lot of money on tickets -- and believe me, there are a
17 couple that were over \$2,000 on just parking tickets --
18 we waive it the -- we waived it if they paid the
19 original ticket. Okay? Then they can get their tax
20 rebate, but they don't get their tax --

21 TRUSTEE KENSIK: Right.

22 VILLAGE PRESIDENT BRADY: -- rebate until they pay
23 the ticket.

24 We want to check -- slightly change that. We

1 want to change it to they get it a one-time deal the
2 first year. In other words, if they got 20 tickets the
3 first year and they pay the one, give them their tax
4 rebate with the other tickets, but the second year that
5 it happens --

6 TRUSTEE STOCKS: Nothing.

7 VILLAGE PRESIDENT BRADY: -- they got to pay it
8 because we have one resident in particular, and maybe
9 two, that they don't care. They just accumulate a
10 couple thousand dollars in tickets.

11 TRUSTEE WESOLOWSKI: I say no. I say no. I don't
12 know. I'm sorry.

13 VILLAGE PRESIDENT BRADY: And one was one of the
14 parties that I talked about earlier tonight. So -- But
15 it -- it just -- it makes it easier for the police plus
16 the resident that has the repeat ones that I didn't talk
17 about earlier, they also have a ticket for their cat
18 attacking a dog. They had two cars that were
19 registered, and we don't ask for the registration when
20 they sign up for the car maintenance program.

21 TRUSTEE WESOLOWSKI: Mm-hmm. Mm-hmm. Mm-hmm.

22 VILLAGE PRESIDENT BRADY: Okay. We ask for the
23 driver's license and all that.

24 TRUSTEE KENSIK: Yeah.

1 VILLAGE PRESIDENT BRADY: They registered they had
2 multiple tickets, both over -- one is, I think, under a
3 thousand but the other one is over 2,000, where the car
4 is registered to a business in Bedford Park. They don't
5 have a business license in Bedford Park, nor do we allow
6 in a residential area, although it's done, but they're
7 not going to get that waived, okay, because it relates
8 to the car maintenance program.

9 Plus, we're going to check now for the car
10 maintenance program, the vehicle registration to make
11 sure that the car is registered to that resident. Okay?

12 TRUSTEE KENSIK: Okay.

13 TRUSTEE WESOLOWSKI: So what are you saying?

14 VILLAGE PRESIDENT BRADY: He owned the car. It's
15 registered to him but it's registered to a business in
16 Bedford Park.

17 TRUSTEE WESOLOWSKI: And he's a homeowner here?

18 VILLAGE PRESIDENT BRADY: He's a homeowner. I
19 don't know the guy.

20 TRUSTEE WESOLOWSKI: And we're going to waive what?

21 VILLAGE PRESIDENT BRADY: No, we're not waiving for
22 him.

23 TRUSTEE STOCKS: We're not waiving.

24 TRUSTEE WESOLOWSKI: So we're not -- he's not

1 getting his rebate.

2 VILLAGE PRESIDENT BRADY: Well, unless he pays his
3 fine.

4 TRUSTEE WESOLOWSKI: Good. Yeah. No, that's
5 ridiculous.

6 VILLAGE PRESIDENT BRADY: Yeah.

7 TRUSTEE WESOLOWSKI: We're too easy.

8 TRUSTEE RODRIGUEZ: But you're saying that if they
9 do this another year we're not giving them their rebate?

10 TRUSTEE WESOLOWSKI: No, we're not.

11 VILLAGE PRESIDENT BRADY: Actually, this is not
12 because he blatantly -- he lied to us on his
13 applications. Okay?

14 But if it's John Smith, okay -- and everybody
15 knows somebody that's had problems with us, believe me.
16 Okay?

17 If they've had five tickets because they
18 didn't get their car out there enough when it snowed
19 okay -- okay, pay us the one ticket. You're done
20 with -- You can qualify. Some of the arguments that we
21 get is that it's a family member and it's not the
22 taxpayer's name but they live in the house so we
23 enforced at least collecting that ticket.

24 There's been a lot of Village employees that

1 have been involved, that they owed multiple tickets.
2 Some of it would be, it relates to people that actually
3 snow -- or that plow the snow --

4 TRUSTEE STOCKS: God.

5 TRUSTEE KENSIK: Good one.

6 VILLAGE PRESIDENT BRADY: -- but that's what we're
7 going to do and we're also going to have -- if it's
8 multiple, there's nine people that are multiple that are
9 extended over a couple years and they haven't gotten
10 their tax rebates --

11 TRUSTEE WESOLOWSKI: Good. Good.

12 TRUSTEE KENSIK: Yeah.

13 VILLAGE PRESIDENT BRADY: -- we're going to tow the
14 cars.

15 TRUSTEE KENSIK: There you go.

16 TRUSTEE WESOLOWSKI: Perfect.

17 TRUSTEE KENSIK: There you go.

18 TRUSTEE MALOY: Yeah.

19 TRUSTEE WESOLOWSKI: That's crazy.

20 TRUSTEE KENSIK: They will wake them up, David.

21 TRUSTEE WESOLOWSKI: Yeah, that's -- We're too
22 good, right? We're too good, agreed.

23 VILLAGE PRESIDENT BRADY: But you'll be getting
24 calls.

1 TRUSTEE WESOLOWSKI: Who cares.

2 TRUSTEE KENSIK: Well, that's fine. Let them call.

3 TRUSTEE STOCKS: Let them call.

4 TRUSTEE WESOLOWSKI: So, Mayor, when you say we
5 waive the first ticket, how much is that, a hundred
6 dollars?

7 VILLAGE PRESIDENT BRADY: It could be up to 150.

8 TRUSTEE WESOLOWSKI: Okay. And that's that.

9 TRUSTEE RODRIGUEZ: You would have to figure out --

10 TRUSTEE WESOLOWSKI: Okay. That's.

11 TRUSTEE STOCKS: All right.

12 VILLAGE PRESIDENT BRADY: The garage guy, he's been
13 a character. We talked to him before, and his stuff
14 related back to when Jerry was here. He had an
15 11,500-dollar fine because he had problems with his
16 garage. We talked to him about the garage. It took him
17 a year to get it done but he fixed it. But any type of
18 building fines as long as the people fix, we usually
19 just waive it.

20 TRUSTEE WESOLOWSKI: Yeah.

21 TRUSTEE STOCKS: Yeah.

22 VILLAGE PRESIDENT BRADY: So we're -- It just
23 wasn't clear to the court.

24 TRUSTEE WESOLOWSKI: Yeah. Well, we're not

1 Mayberry anymore.

2 (Which were all the proceedings
3 had outside the presence of the
4 general public.)

5
6 (WHEREUPON, the following
7 proceedings were had in an open
8 forum in the presence of the Board
9 members and the general open
10 public.)

11 VILLAGE PRESIDENT BRADY: Roll call.

12 CLERK SOLIS: Kensik ...

13 TRUSTEE KENSIK: Here.

14 CLERK SOLIS: Maloy ...

15 TRUSTEE KENSIK: Here.

16 CLERK SOLIS: Pallardy ...

17 TRUSTEE PALLARDY: Here.

18 CLERK SOLIS: Rodriguez ...

19 TRUSTEE MALOY: Here.

20 CLERK SOLIS: Stocks ...

21 TRUSTEE STOCKS: Here.

22 CLERK SOLIS: Wesolowski ...

23 TRUSTEE WESOLOWSKI: Here.

24 VILLAGE PRESIDENT BRADY: Okay. Anybody here want

1 to make a comment that isn't related to fire?

2 (No verbal response.)

3 VILLAGE PRESIDENT BRADY: If it is related to fire,
4 and it is a comment, it's okay, but ...

5 Okay. Could we have a motion and a second to
6 approve the consent agenda items as presented?

7 TRUSTEE STOCKS: So moved.

8 TRUSTEE PALLARDY: Second.

9 VILLAGE PRESIDENT BRADY: Roll call.

10 CLERK SOLIS: Kensik ...

11 TRUSTEE KENSIK: Yes, ma'am.

12 CLERK SOLIS: Maloy ...

13 TRUSTEE MALOY: Yes.

14 CLERK SOLIS: Pallardy ...

15 TRUSTEE PALLARDY: Yes.

16 CLERK SOLIS: Rodriguez ...

17 TRUSTEE RODRIGUEZ: Yes.

18 CLERK SOLIS: Stocks ...

19 TRUSTEE STOCKS: Yes.

20 CLERK WESOLOWSKI: Wesolowski ...

21 TRUSTEE WESOLOWSKI: Yes.

22 VILLAGE PRESIDENT BRADY: Larry, can I delay you
23 just a little?

24 VILLAGE ATTORNEY GRYCZEWSKI: Yes.

1 VILLAGE PRESIDENT BRADY: I would like to start
2 with the swearing in of the fire. We're very, very
3 appreciative that there's interest in Bedford Park. We
4 think that you have a super department to -- to join and
5 to work with even though we do have an executive session
6 on labor negotiations today, but, you know, you've got a
7 great staff here to work with.

8 Dan, do you want to come up and Mike?

9 FIRE CHIEF JOHNSON: Thank you, Mayor, for having
10 us tonight.

11 Tonight is one of those special nights for the
12 fire chief and for the fire department. It's exciting
13 to see the future of the fire service, our four new
14 candidates here tonight, are going to be here, hopefully
15 for a long, safe career of year 30 or 35 years. So it's
16 exciting to see these new people come into our ranks
17 and -- and, you know, see how they're going to -- their
18 careers are going to progress over the years.

19 So I want to congratulate you all. Your hard
20 work has paid off. It's not easy to get a good fire
21 department job nowadays. So welcome to our department.
22 I met many of the parents that are here tonight.

23 You guys should be very proud. You've raised
24 some -- some great people, and, you know, they're going

1 to start their career here with us and we're glad to
2 have them. We're going to take good care of them.

3 The fire service is a challenging and a
4 rewarding profession and I'm pleased to be officially
5 welcoming our four new firefighters into the ranks
6 today. As public servants, you know, we're really in
7 the people business. We have to remember that. We're
8 here to serve, you know, and always remember that you
9 represent the Bedford Park Fire Department both on and
10 off duty. Okay? So be proud, act bravely, and never
11 stop learning.

12 At this time, I'm going to turn it over to
13 Chaplain Mike McGee for a brief blessing.

14 Can we have the four candidates come up,
15 please, real quick? Miguel, Joe, Christian, and Sean,
16 why don't you guys come right up on this side here.

17 CHAPLAIN MCGEE: Please, bow your heads for
18 the blessing.

19 (A blessing was recited.)

20 FIRE CHIEF JOHNSON: At this time, could we ask
21 Mayor Brady to please come up and issue the oath of
22 office?

23 VILLAGE PRESIDENT BRADY: Okay. And can we get
24 Trustee Stocks to ...

1 TRUSTEE STOCKS: I don't know if I could squeeze
2 through --

3 VILLAGE PRESIDENT BRADY: Okay.

4 TRUSTEE STOCKS: -- down there or not, Mayor.

5 FIRE CHIEF JOHNSON: All right. We're going to do
6 Miguel first.

7 Mr. Mayor, that is your copy.

8 VILLAGE PRESIDENT BRADY: Okay.

9 FIRE CHIEF JOHNSON: Miguel, could you step
10 forward, please. Raise your right hand.

11 (Firefighter Rodriguez sworn in.)

12 VILLAGE PRESIDENT BRADY: Congratulations.

13 FIRE CHIEF JOHNSON: To present you with your
14 badge, would you like to have one of your family members
15 come up and ...

16 FIREFIGHTER RODRIGUEZ: This is my wife, Adriana
17 (phonetic), and this is my ten-month-old son, Nicholas.

18 FIRE CHIEF JOHNSON: Sean O'Hare, step forward and
19 raise your right hand, please.

20 VILLAGE PRESIDENT BRADY: Okay.

21 (Firefighter O'Hare sworn in.)

22 FIREFIGHTER O'HARE: This is my wife, Andrea.

23 FIRE CHIEF JOHNSON: All right. Christian
24 Walker ...

1 VILLAGE PRESIDENT BRADY: Okay. You all ready?

2 (Firefighter Walker sworn in.)

3 VILLAGE PRESIDENT BRADY: Great.

4 FIREFIGHTER WALKER: Can I have my mother come up?

5 FIRE CHIEF JOHNSON: This is your mother?

6 FIREFIGHTER WALKER: This is my mother.

7 FIRE CHIEF JOHNSON: And Joe ...

8 VILLAGE PRESIDENT BRADY: Joseph ...

9 (Firefighter Wintercorn sworn in.)

10 VILLAGE PRESIDENT BRADY: Okay. Congratulations,
11 Joe.

12 FIREFIGHTER WINTERCORN: I'm going to have my wife

14 VILLAGE PRESIDENT BRADY: Great job.

15 First class to you use the cheat sheets.

17 VILLAGE PRESIDENT BRADY: Congratulations to the

19 Okay. Larry ...

20 VILLAGE ATTORNEY GRYZEWSKI: Thank you, Mayor.

21 The first item is the review of Class 6

15 note, though, that this proposal can be terminated if
16 we'll pay them on a prorated basis meaning ALPA
17 Construction. So there is a way out for the Village in

14 the State of Illinois has mandated Paid Leave Act for
15 employers -- I don't think role (phonetic) be affected
16 because we do have CBAs governing paid leave, but I can

24 VILLAGE PRESIDENT BRADY: Motion carries.

1 TRUSTEE RODRIGUEZ: And I'd also like to ask for a
2 motion to approve the review of the Foot Locker exterior
3 mural proposal pending the final comments from the
4 Police Department.

5 TRUSTEE PALLARDY: So moved.

6 TRUSTEE WESOLOWSKI: So moved.

10 CLERK SOLIS: Maloy ...

11 TRUSTEE MALOY: Yes.

12 CLERK SOLIS: Pallardy ...

14 CLERK SOLIS: Rodriguez ...

15 TRUSTEE RODRIGUEZ: Yes.

16 CLERK SOLIS: Stocks ...

17 TRUSTEE STOCKS: Yes.

18 CLERK SOLIS: Wesolowski ...

19 TRUSTEE WESOLOWSKI: Yes.

20 VILLAGE PRESIDENT BRADY: Okay. Anything else?

21 (No verbal response.)

22 VILLAGE PRESIDENT BRADY: Okay.

23 Trustee Pallardy ...

24 TRUSTEE PALLARDY: Thank you, Mayor.

1 I have nothing.

2 VILLAGE PRESIDENT BRADY: Okay. Great job on those
3 Vikings, boy.

4 TRUSTEE STOCKS: Yeah.

5 TRUSTEE PALLARDY: They're having a great year.

6 VILLAGE PRESIDENT BRADY: Playoff game this weekend

7 TRUSTEE PALLARDY: Playoff in football, cross
8 country is in the state finals, soccer --

9 TREASURER HYDE: Bragger.

10 TRUSTEE PALLARDY: -- girl's volleyball.

11 (Discussion off the record.)

12 VILLAGE PRESIDENT BRADY: Okay.

13 Trustee Wesolowski ...

14 TRUSTEE WESOLOWSKI: Nothing, Mayor.

15 All mine was on the consent agenda. I'm good.
16 Thank you.

17 VILLAGE PRESIDENT BRADY: Okay. Okay. Can we have
18 a motion and a second to appoint Mrs. Payne (phonetic)
19 to the air quality board?

20 TRUSTEE STOCKS: So moved.

21 TRUSTEE WESOLOWSKI: Second.

22 VILLAGE PRESIDENT BRADY: Okay. Roll call.

23 CLERK SOLIS: Kensik ...

24 TRUSTEE KENSIK: Yes, ma'am.

1 CLERK SOLIS: Maloy ...

2 TRUSTEE MALOY: Yes.

7 CLERK SOLIS: Stocks ...

8 TRUSTEE STOCKS: Yes.

9 CLERK SOLIS: Wesolowski ...

10 TRUSTEE WESOLOWSKI: Yes.

11 VILLAGE PRESIDENT BRADY: And we'll call the people
12 that were on that historical list that I presented, but
13 if you have somebody else that kind of meets the
14 criteria, let me know by Wednesday of next week. Okay?

15 TRUSTEE WESOLOWSKI: Okay.

16 VILLAGE PRESIDENT BRADY: We'll go from that.

17 And then I think that's ...

18 The move -- Rhonda and Marilyn are working
19 with David Morales. I've met with them, too, on
20 investments. There is some juggling going on there but
21 it's minimal, and we'd like to approve their
22 recommendation to make the BMO account changes per the
23 recommendation of David Morales who handles our
24 investments and has for a while now.

1 Could we have that motion?

2 TRUSTEE STOCKS: So moved.

3 TRUSTEE RODRIGUEZ: Second.

4 TRUSTEE WESOLOWSKI: Second.

5 VILLAGE PRESIDENT BRADY: Okay. Roll call.

6 CLERK SOLIS: Kensik ...

7 TRUSTEE KENSIK: Yes, ma'am.

8 CLERK SOLIS: Maloy ...

9 TRUSTEE MALOY: Yes.

10 CLERK SOLIS: Pallardy ...

11 TRUSTEE PALLARDY: Yes.

12 CLERK SOLIS: Rodriguez ...

13 TRUSTEE RODRIGUEZ: Yes.

14 CLERK SOLIS: Stocks ...

15 TRUSTEE STOCKS: Yes.

16 CLERK SOLIS: Wesolowski ...

17 TRUSTEE WESOLOWSKI: Yes.

18 VILLAGE PRESIDENT BRADY: Okay. Alyssa is ...

19 CLERK SOLIS: She's on the phone if you need her.

20 VILLAGE PRESIDENT BRADY: Alyssa, anything to let

21 us know about ...

22 CLERK SOLIS: Can you hear her?

23 VILLAGE PRESIDENT BRADY: All of the requests for

24 Mr. Koulis have well been -- have been approved for his

1 permitting. We're going to try to meet with him on
2 solar plus some other related issues next week. So
3 we're going to go from there with that.

4 Okay. Rhonda, do you have anything to add?

5 TREASURER HYDE: No. I think -- I think Alyssa is
6 trying to call in.

7 VILLAGE PRESIDENT BRADY: Well, let's just move on.

8 Kevin, how are things starting out?

9 UNIDENTIFIED SPEAKER: They were good. First, it
10 was the fourth day on the job. So far so good.

11 VILLAGE PRESIDENT BRADY: Are you keeping Rhonda in
12 line?

13 TREASURER HYDE: NO.

14 UNIDENTIFIED SPEAKER: Just getting the lay of the
15 land, you know, just meeting everybody around the --
16 around the Village. So far so good.

17 VILLAGE PRESIDENT BRADY: And did you work with --
18 I didn't mention it today to you, but can you work with
19 Yvette and Israel and develop a program what we can try
20 to get the -- get the seniors where they're literate
21 with using smart phones

22 UNIDENTIFIED SPEAKER: Of course.

23 VILLAGE PRESIDENT BRADY: Maybe, probably some of
24 the smart TVs, too.

1 But then Marilyn eventually, when we get a
 2 number, will request buy them a smart phones. They'll
 3 have to play for their plans, but if they need that for
 4 instructions, they -- they can take care of that. Okay?

5 UNIDENTIFIED SPEAKER: Sure.

6 VILLAGE PRESIDENT BRADY: Okay. But -- So you need
 7 to talk to Yvette and Israel and then coordinate that.

8 UNIDENTIFIED SPEAKER: Okay. Will do.

9 TREASURER HYDE: And then Alyssa is on the phone.
 10 What do you got, Alyssa?

11 MS. HUFF: I just want to give a quick update on
 12 Sayre Avenue (indiscernible). They had built --

13 (Simultaneous cross-talking.)

14 MS. HUFF: -- and they have completed the new
 15 roadway construction all the way up to the railroad
 16 tracks. And they'll be beginning the grinding of Sayre
 17 Avenue between 65th and 66th this week, this weekend.
 18 So hopefully that will help a lot of the truck
 19 congestion that's been happening during construction
 20 phase, and we're -- we're approaching the finish line.
 21 So I just wanted to let everybody know we're almost
 22 there.

23 TREASURER HYDE: And so are you.

24 TRUSTEE WESOLOWSKI: When's her due date? When's

1 she due

2 TREASURER HYDE: When's your due date?

3 MS. HUFF: December 8th.

4 (Discussion off the record.)

5 THE COURT: Okay. Thank you, Alyssa.

6 Alyssa and Jim and the supervisors are -- have
7 been involved, too, are going to make recommendations
8 where we possibly can get some State money for capital
9 projects so -- but that's a little way off yet. It
10 could be a good thing.

11 Okay. Thank you.

12 Dan ...

13 FIRE CHIEF JOHNSON: I have nothing else, Mayor.

14 Thank you.

15 VILLAGE PRESIDENT BRADY: You can stay for the
16 executive session if you like.

17 FIRE CHIEF JOHNSON: Sure.

18 VILLAGE PRESIDENT BRADY: Tom ...

19 CHIEF HANSEN: I have nothing.

20 Thank you.

21 VILLAGE PRESIDENT BRADY: Joe ...

22 MR. RONOVSKY: Thank you, Mayor.

23 Thanks, Kevin, and the guys. They ran over
24 there. Mark Murray is -- We have back-to-back

1 tournaments this weekend where we -- the last two
2 weekends, each weekend basically had almost 4,000 paid
3 attendees come through, which causes an overflow in the
4 front parking lot which blocked a lane which a fire
5 truck couldn't get through so Mark Murray brought that
6 to our attention. And this week Kevin's guys got over
7 there and marked it off and painted some of the curbs
8 and stuff. So now we got -- ordered some signs for no
9 parking so hopefully that issue doesn't keep presenting
10 itself, but we're getting used to using the back lot
11 now, and so I think the traffic flow will be a little
12 bit better as we go through there, but we hit over
13 180,000 attendees for this year.

14 And then on November 30th, if you guys would
15 like to attend, drop by, have lunch, the Special
16 Olympics we're hosting their medical fest, which is
17 where we give sports physicals and then we're also going
18 to expand into hearing and vision tests for all their
19 athletes. So there's about 700 kids that will get -- I
20 mean, it's the first time some of these kids will
21 actually be seeing a doctor within years. So it's kind
22 of a nice program for us, the last police and fire -- if
23 you want to stop over for lunch and say hi to these
24 kids.

1 TRUSTEE WESOLOWSKI: What day is it, Joe?

2 MR. RONOVSKY: November 30th.

3 TRUSTEE WESOLOWSKI: What's -- What's the day -- I
4 mean, time? What time?

5 MR. RONOVSKY: Any time between, I think it's,
6 like, 11:00 and 2:00, so within that window. I'll send
7 everybody an e-mail.

8 VILLAGE PRESIDENT BRADY: It's a Thursday.

9 MR. RONOVSKY: Yeah, lunch I did say, Tom, so ...
10 It's really nice. If you haven't seen it
11 before, it's a really nice thing that we ...

12 TRUSTEE WESOLOWSKI: This is the second time we did
13 it, right?

14 MR. RONOVSKY: Yes.

15 TRUSTEE WESOLOWSKI: Didn't we do it a couple of
16 years ago?

17 MR. RONOVSKY: Yeah.

18 So we host one and then the United Center
19 hosts the another one. So we kind of split the market
20 up.

21 TRUSTEE WESOLOWSKI: Nice. Nice.

22 VILLAGE PRESIDENT BRADY: I was walking -- this
23 afternoon and, you know, and the alley behind the park I
24 catch -- I thought it was Evel Knievel going by, and,

1 you know, I was stunned. I didn't -- I thought he was
2 no longer with us, but ...

3 Kevin, anything to add with that?

4 UNIDENTIFIED SPEAKER: No. No. I'm just getting
5 used to it. No. We're just gearing up for winter.

6 TRUSTEE WESOLOWSKI: So, Kev, when are the speed
7 bumps coming out

8 UNIDENTIFIED SPEAKER: Tomorrow.

9 Well, they're starting to come --

10 (Simultaneous cross-talking.)

11 UNIDENTIFIED SPEAKER: No. We -- We always wait
12 until after Halloween and then we start taking them --
13 We just -- We wanted to get that parking lot because it
14 was sunny today.

15 TRUSTEE WESOLOWSKI: Yeah.

16 UNIDENTIFIED SPEAKER: So we wanted to get that
17 parking lot done.

18 TRUSTEE WESOLOWSKI: That's good.

19 VILLAGE PRESIDENT BRADY: Do you want to tell them
20 about the new style?

21 UNIDENTIFIED SPEAKER: So -- Yeah. We -- We are
22 going to try in the spring a couple of new styles in a
23 couple areas, and we'll see which works better because
24 the ones we have now are kind of abrupt and they -- they

1 don't hold up to the buses and stuff. They loosen up
2 and, you know, we're putting them in the rocks, you
3 know, the streets there, but there's rocks underneath
4 that. So we're -- I'm trying some different styles.

5 So next spring you'll probably see a couple
6 different ones throughout the neighborhood. We'll see
7 which ones work best.

8 TRUSTEE WESOLOWSKI: Yeah. Yeah.

9 VILLAGE PRESIDENT BRADY: Good.

10 Anything else?

11 (No verbal response.)

12 VILLAGE PRESIDENT BRADY: Okay. Could we have a
13 motion and a second to close the open meeting to go into
14 a executive session to discuss labor negotiations?

15 TRUSTEE PALLARDY: So moved.

16 TRUSTEE WESOLOWSKI: Second.

17 VILLAGE PRESIDENT BRADY: Okay. Roll call.

18 CLERK SOLIS: Kensik ...

19 TRUSTEE KENSIK: Yes.

20 CLERK SOLIS: Maloy ...

21 TRUSTEE MALOY: Yes,

22 CLERK SOLIS: Pallardy ...

23 TRUSTEE PALLARDY: Yes.

24 CLERK SOLIS: Rodriguez ...

1 TRUSTEE RODRIGUEZ: Yes.

2 CLERK SOLIS: Stocks ...

3 TRUSTEE STOCKS: Yes.

4 CLERK SOLIS: Wesolowski ...

5 TRUSTEE WESOLOWSKI: Yes.

6 VILLAGE PRESIDENT BRADY: Okay. We have to meet
7 privately on this.

8 (WHEREUPON, proceedings were had
9 which are not attached hereto.)

10 (WHEREUPON, the following
11 proceedings were had in the
12 presence of the general public.)

13 VILLAGE PRESIDENT BRADY: Could we have a motion
14 and a second to close -- to adjourn to regular meeting?

15 TRUSTEE STOCKS: So moved.

16 TRUSTEE WESOLOWSKI: Second.

17 VILLAGE PRESIDENT BRADY: All those in favor.

18 (Ayes stated.)

19 VILLAGE PRESIDENT BRADY: Opposed?

20 (No verbal response.)

21 PRESIDENT BRADY: Motion carries.

22 (Which were all the proceedings
23 had at this time in the
24 above-entitled cause.)
